Margaret Hogan, being first duly sworn upon oath, deposes and says:

That she is the mother of Roy Franklin Hogan, and caused a delayed registration of his birth to be filed with the Department of Public Health, Bureau of Vital Statistics of the State of Idaho, on February 20, 1942, which was assigned state file No. 334222.

That in the preparation of the application and/or certificate of delayed registration of said birth, a typographical error occurred as to the year of said child's birth, to-wit: the date of birth was given as May 18, 1903, whereas the actual date of said child's birth was May 18, 1902; that all other information supplied in the application and appearing in said certificate of birth, was, and is true and correct.

That this affidavit is made for the purpose of supporting a request for amendment and correction of said certificate of birth, and to be used as evidence of the actual birth date of the said Roy Franklin Hogan.

Idaho Falls, Idaho,
April 7, 1942.

Bureau of Vital Statistics,
Boise, Idaho.

Dear Sir:

As you did not enclose a new blank I have filled in the Birthdate and am returning this certificate to you.

According to the Registration Law on the reverse side of the certificate it seems as though it is permissible for a stepmother to sign it, either as the nearest kin, guardian or as a person having direct knowledge. My Father and Mother are both deceased and I was their only child. My Stepmother raised me from the time I was nine months old. I do not have any Uncles or Aunts or Grandparents living, nor any other blood relative who could sign it.

Yours truly,

James A. Hanson
